An amazing space on this ship is **Charlie's Childcare Center** and **Buccaneer's Wet and Wild**. The best in its class outside of a Disney ship! It's amazing, like having a shipboard amusement park, with tunnels and tubes, rooms filled with those balls that kids love to jump in, a pool complex with slides and fountains and pirate muskets blasting water, and the best game arcade on the seven seas, all bright and colorful, and attended by bright and colorful childcare professionals.
